

Elementary Test Version 1
ROCKING AROUND THE USA! (I)

Noburu Hideki and Roku Ito come from Tokyo. They became best friends at school when they discovered they were both crazy about American music. When they were 16 they started going to concerts all over Japan. It was their dream to one day visit America - the home of the music they love. The boys are now 22, and they're planning a trip to the US. They're going to travel from one home of jazz to another - from Louisiana in the south to New York in the north.

They're beginning their trip in New Orleans, where it's Jazz Fest week. Last year about 400,000 people attended the festival. Noburu and Roku are going to stay in the French Quarter of the city. 'It's so exciting,' says Roku. 'We're staying near Bourbon Street. It's famous for its jazz clubs and nightlife, and it's only a 30-minute-walk from the festival.'
