

## See Fire (Ed Sheeran)

Oh misty eye of the mountain below  
Keep careful watch of my brothers' souls  
And should the sky be filled with fire and smoke  
Keep watching over Durin's sons

If this is to end in fire then we should all burn  
together  
Watch the flames climb high into the night  
Calling out father, oh stand by and we will  
Watch the flames burn auburn on the mountainside  
(High)

And if we should die tonight then we should all die  
together  
Raise a glass of wine for the last time  
Calling out father, oh prepare as we will  
Watch the flames burn auburn on the mountainside  
Desolation comes upon the sky

Now I see fire, inside the mountain  
I see fire, burning the trees  
And I see fire, hollowing souls  
I see fire, blood in the breeze  
And I hope that you'll remember me

Oh should my people fall then surely I'll do the  
same  
Confined in mountain halls, we got too close to the  
flame  
Calling out father, oh hold fast and we will  
Watch the flames burn auburn on the mountainside  
Desolation comes upon the sky

Now I see fire, inside the mountain  
I see fire, burning the trees  
And I see fire, hollowing souls  
I see fire, blood in the breeze  
And I hope that you'll remember me

And if the night is burning I will cover my eyes  
For if the dark returns then my brothers will die  
And as the sky is falling down it crashed into this  
lonely town  
And with that shadow upon the ground I hear my  
people screaming out

Now I see fire, inside the mountain

I see fire, burning the trees  
And I see fire, hollowing souls  
I see fire, blood in the breeze

I see fire  
Oh you know I saw a city burning (fire)  
I see fire  
Feel the heat upon my skin (fire)  
And I see fire, ooh, fire  
And I see fire burn auburn on the mountainside

I See Fire\* (оригинал Ed Sheeran) Я вижу пламя (перевод Fab Flute)

Oh misty eye of the mountain below  
*О, туманное око горы, что внизу,*  
Keep careful watch of my brothers' souls  
*Следи неотступно за душами братьев моих,*  
And should the sky be filled with fire and smoke  
*И коль небо будет объято огнём и дымом,*  
Keep watching over Durin's sons  
*Оставайся на страже сынов Дурина.*

If this is to end in fire then we should all burn  
together  
*Если всему этому суждено погибнуть в огне,*  
*тогда мы все сгорим вместе,*  
Watch the flames climb high into the night  
*Глядя, как поднимаются в ночную высь языки*  
*пламени.*  
Calling out father, oh stand by and we will  
*Услышь зов, отец, о, будь настороже, и мы*  
Watch the flames burn auburn on the mountainside  
*Увидим ало-бурые языки пламени, полыхающие*  
*на горном склоне.*  
(High)  
(Высоко)

And if we should die tonight then we should all die  
together  
*Если нам суждено умереть этой ночью, тогда*  
*мы все умрём вместе.*  
Raise a glass of wine for the last time  
*Поднимем бокал вина в последний раз!*  
Calling out father, oh prepare as we will  
*Услышь зов, отец, о, будь готов, когда мы*  
Watch the flames burn auburn on the mountainside  
*Взглянем на ало-бурые языки пламени,*  
*полыхающие на горном склоне.*  
Desolation comes upon the sky  
*Небо обращается в пустыню.*

Now I see fire, inside the mountain  
*И вот я вижу пламя в сердце горы,*  
I see fire, burning the trees  
*Я вижу пламя, пожирающее деревья,*  
And I see fire, hollowing souls  
*Я вижу пламя, опустошающее души,*  
I see fire, blood in the breeze  
*Я вижу пламя, кровь ветра.*  
And I hope that you'll remember me  
*И я надеюсь, что ты будешь помнить меня.*

Oh should my people fall then surely I'll do the same  
*О, если мой народ встретит свой закат в битве,*  
*тогда я, без сомнений, последую за ним.*  
Confined in mountain halls, we got too close to the  
flame

*Заточённые в горных чертогах, мы оказались*  
*слишком близки к огню.*  
Calling out father, oh hold fast and we will  
*Услышь зов, отец, о, стойко держись, и мы*  
Watch the flames burn auburn on the mountainside  
*Увидим ало-бурые языки пламени, полыхающие*  
*на горном склоне.*  
Desolation comes upon the sky  
*Небо обращается в пустыню.*

Now I see fire, inside the mountain  
*И вот я вижу пламя в сердце горы,*  
I see fire, burning the trees  
*Я вижу пламя, пожирающее деревья,*  
And I see fire, hollowing souls  
*Я вижу пламя, опустошающее души,*  
I see fire, blood in the breeze  
*Я вижу пламя, кровь ветра.*  
And I hope that you'll remember me  
*И я надеюсь, что ты будешь помнить меня.*

And if the night is burning I will cover my eyes  
*И если ночь запылывает, я закрою глаза,*  
For if the dark returns then my brothers will die  
*Ведь если тьма вернётся, мои братья погибнут.*  
And as the sky is falling down it crashed into this  
lonely town  
*Небо, падая, обрушилось на этот одинокий*  
*город,*  
And with that shadow upon the ground I hear my  
people screaming out  
*И под этой тенью, укрывшей землю, я слышу*  
*крик моего народа.*

Now I see fire, inside the mountain  
*И вот я вижу пламя в сердце горы,*  
I see fire, burning the trees  
*Я вижу пламя, пожирающее деревья,*  
And I see fire, hollowing souls  
*Я вижу пламя, опустошающее души,*  
I see fire, blood in the breeze  
*Я вижу пламя, кровь ветра.*  
I see fire  
*Я вижу пламя.*  
Oh you know I saw a city burning (fire)  
*О, ты знаешь, я видел горящий город. (Пламя).*  
I see fire  
*Я вижу пламя.*  
Feel the heat upon my skin (fire)  
*Я чувствую жар на коже. (Пламя).*  
And I see fire, ooh, fire  
*Я вижу пламя, пламя.*  
And I see fire burn auburn on the mountainside  
*Я вижу ало-бурое пламя, полыхающее на горном*  
*склоне.*

## **HOTEL CALIFORNIA**

On a dark desert highway  
Cool wind in my hair  
Warm smell of colitas  
Rising up through the air  
Up ahead in the distance  
I saw a shimmering light  
My head grew heavy  
and my sight grew dimmer  
I had to stop for the night  
There she stood in the doorway  
I heard the mission bell  
And I was thinking to myself:  
'This could be Heaven  
Or this could be Hell'  
Then she lit up a candle  
And she showed me the way  
There were voices down the corridor  
I thought I heard them say...  
Welcome to the Hotel California  
Such a lovely place  
Such a lovely face  
Plenty of room at the Hotel California  
Any time of year you can find it here  
Her mind is Tiffany-twisted,  
She got the Mercedes Bends  
She got a lot of pretty, pretty boys  
That she calls friends  
How they dance in the courtyard  
Sweet summer sweat  
Some dance to remember,  
Some dance to forget

## **LET IT BE**

When I find myself in times of trouble,  
Mother Mary comes to me  
speaking words of wisdom, let it be.  
And in my hour of darkness  
She is standing right in front of me  
Speaking words of wisdom, let it be.  
Let it be, let it be, let it be, let it be.  
Whisper words of wisdom, let it be.  
And when the broken hearted people  
Living in the world agree,  
There will be an answer, let it be.  
For though they may be parted,  
There is still a chance that they will see  
There will be an answer, let it be.  
Let it be, let it be, let it be, let it be.  
There will be an answer, let it be.  
Let it be, let it be, let it be, let it be.  
There will be an answer, let it be.

So I called up the Captain:  
'Please bring me my wine'  
He said,  
'We haven't had that spirit here  
Since nineteen sixty nine  
And still those voices  
Are calling from far away  
Wake you up in the middle of the night  
Just to here them say...  
Welcome to the Hotel California  
Such a lovely place  
Such a lovely face  
They livin' it up at the Hotel California  
What a nice surprise  
Bring you alibis  
Mirrors on the ceiling  
The pink champagne on ice  
And she said:  
'We are all just prisoners here  
Of our own device'  
And in the master's chambers  
They gathered for the feast  
They stab it with their steely knives  
But they just can't kill the beast  
Last thing I remember, I was  
Running for the door  
I had to find the passage back  
To the place I was before  
'Relax', said the night man,  
'We are programmed to receive  
You can check out any time you like,  
But you can never leave

Let it be, let it be, let it be, let it be.  
There will be an answer, let it be.  
And when the night is cloudy,  
There is still a light that shines on me.  
Shines until tomorrow, let it be.  
I wake up to the sound of music.  
Mother Mary comes to me  
Speaking words of wisdom, let it be.  
Let it be, let it be, let it be, let it be.  
Whisper words of wisdom, let it be.  
Let it be, let it be, let it be, let it be.  
Whisper words of wisdom, let it be.  
Let it be, let it be, let it be, let it be.  
There will be an answer, let it be.

## **IN MY LIFE**

There are places I remember all my life,  
Though some have changed,  
Some forever, not for better,  
Some have gone and some remain.  
All these places had their moments  
With lovers and friends I still can recall.  
Some are dead and some are living.  
In my life I loved them all.  
But of all these friends and lovers,  
There is no one compares with you,  
And these mem'ries lost their meaning  
When I think of love as something new.  
Though I know I'll never lose affection  
For people and things that went before,  
I know I'll often stop and think about them,  
In my life I'll love you more.  
Though I know I'll never lose affection  
For people and things that went before,  
I know I'll often stop and think about them,  
In my life I'll love you more,  
In my life I'll love you more.

## **GIRL**

Is there anybody going to listen to my story  
All about the girl who came to stay?  
She's a kind of girl you want so much it  
makes you sorry  
Still you don't regret a single day.  
Ah, girl!  
When I think of all the times I've tried so hard  
to leave her,  
She will turn to me and start to cry.  
And she promises the earth to me and I  
believe her,  
After all this time I don't know why.  
Ah, girl!

## **HERE COMES THE SUN**

Here comes the sun,  
Here comes the sun,  
And I say, "It's all right."  
Little darling,  
It's been a long cold lonely winter.  
Little darling,  
It feels like years since it's been here.  
Here comes the sun,  
Here comes the sun,

## **YESTERDAY**

Yesterday all my troubles seemed so far  
away.  
Now it looks as though they're here to stay.  
Oh I believe in yesterday.  
Suddenly I'm not half the man I used to be.  
There's a shadow hanging over me.  
Oh yesterday came suddenly.  
Why she had to go I don't know she wouldn't  
say.  
I said something wrong now I long for  
yesterday.  
Yesterday love was such an easy game to  
play.  
Now I need a place to hide away.  
Oh I believe in yesterday.  
Why she had to go I don't know she wouldn't  
say.  
I said something wrong now I long for  
yesterday.  
Yesterday all my troubles seemed so far  
away.  
Now it looks as though they're here to stay.  
Oh I believe in yesterday.  
I believe in yesterday.

She's a kind of girl who puts you down when  
friends are there,  
You feel a fool.  
When you say she's looking good she acts as  
if it's understood,  
She's cool, cool, cool, cool.  
Ah, girl!  
Was she told when she was young that pain  
would lead to pleasure,  
Did she understand it when they said  
That a man must break his back to earn his  
day of leisure?  
Will she still believe it when he's dead?  
Ah, girl!

And I say, "It's all right."  
Little darling,  
The smiles returning to their faces.  
Little darling,  
It seems like years since it's been here.  
Here comes the sun,  
Here comes the sun,  
And I say, "It's all right."  
Sun, sun, sun here it comes.  
Sun, sun, sun here it comes.

Sun, sun, sun here it comes.  
Sun, sun, sun here it comes,  
Sun, sun, sun here it comes.  
Little darling,  
I feel that ice is slowly melting.  
Little darling,

### **STAIRWAY TO HEAVEN**

There's a lady who's sure  
All that glitters is gold  
And she's buying a stairway to heaven  
When she gets there she knows  
If the stores are all closed  
With a word she can get what she came for

There's a sign on the wall  
But she wants to be sure  
Cause you know sometimes words  
Have two meanings  
In a tree by the brook  
There's a songbird who sings  
Sometimes all our thoughts are misgiven

There's a feeling I get  
When I look to the West  
And my spirit is crying for leaving  
In my thoughts I have seen  
Rings of smoke through the trees  
And the voices of those who stand looking

And it's whispered that soon  
If we all call the tune  
Then the piper will lead us to reason  
And a new day will dawn  
For those who stand long

### **I'VE STILL GOT THE BLUES FOR YOU**

Used to be so easy to give my heart away  
But I found that the hard way  
Was the price you have to pay  
I found out that love was no friend of my  
I should have known time after time  
So long, it was so long ago  
But I've still got the blues for you

Used to be so easy to fall in love again  
I found that the hard way  
It's the road that leads to pain  
I found that love was more than just a game  
Playing to win  
But you lose just the same  
So long, it was so long ago  
But I've still got the blues for you

It seems like years since it's been clear.  
Here comes the sun,  
Here comes the sun,  
And I say, "It's all right."  
It's all right. It's all right.

And the forests will echo with laughter

And it makes me wonder

If there's a bustle in your Hedgerow  
Don't be alarmed now  
It's just a spring clean for the May-queen  
Yes there are two paths you can go by  
But in the long run  
There's still time to change the road you're on  
Your head is humming and it won't go,  
In case you don't know  
The piper's calling you to join him  
Dear Lady can you hear the wind blow  
And did you know  
Your stairway lies on the whispering wind

And as we wind on down the road  
Our shadows taller than our souls  
There walks a Lady we all know  
Who shines white light and wants to show  
How everything still turns to gold  
And if you listen very hard  
The tune will come to you at last  
When all are one and one is all  
To be a rock and not to roll

So many years since I've seen your face  
Years in my heart there's an empty space  
You used to be

So long, it was so long ago  
But I've still got the blues for you  
Though the days come and go  
There is one thing I know  
I've still got the blues for you
