

*Application No. 1
to the order of the Director of the
RSE "NIIP" of the Ministry of Justice of the Republic of Kazakhstan No. _____ НК
from "___" _____ 2022*

Prices for services rendered by the Republican State Enterprise on the right of economic management "National Institute of Intellectual Property" of the Ministry of Justice of the Republic of Kazakhstan

1, Activities in the field of protection of inventions, utility models and industrial designs					
N.	Name of works and services in accordance with the Law of the Republic of Kazakhstan dated July 16 1999 "Patent Law of the Republic of Kazakhstan"	Price (in tenge including VAT)			
		for legal entities	For SMEs	for individuals	for applicants belonging to the privileged category of persons in accordance with paragraphs 1.1) and p.p. 3.1) Appendix 2 to the order
1	2	3	4	5	6
1	Acceptance of applications and formal examination of the invention	20 320 16	16 256 13	6 096 16	1 017 00
2	Acceptance of applications and expedited formal examination for an invention on objects for which favorable conditions for patenting are provided	23 367 68	18 694 14	7 010 08	1 168 00
3	Acceptance of applications and examination for a utility model:	16 450 56	13 160 45	4 934 72	825 00
4	Acceptance of applications and formal examination of an industrial design	18 039 84	14 431 87	5 411 84	905 00

5	Processing examination and transmission of the international application	10 264 80	10 264 80	10 264 80	10 264 80
6	Processing verification and transmission of the Eurasian application	4 500 16	4 500 16	4 500 16	4 500 16
7	Substantive examination of an application for an invention	66 959 20	53 567 36	20 088 32	3 350 00
1)	Additionally for each independent claim over one	53 519 20	43 815 36	16 055 20	2 676 00
8	Conducting an accelerated substantive examination of an application for an invention on objects for which favorable conditions for patenting are provided	80 351 04	64 280 83	24 104 64	4 020 00
1)	Additionally for each independent claim over one	53 519 20	43 815 36	16 055 20	2 676 00
9	Conducting an examination on the merits of an application for an invention if there is an international search report or a preliminary examination report prepared by one of the international bodies in accordance with international agreements to which the Republic of Kazakhstan is a party	56 915 04	45 532 03	17 074 40	2 850 00

1)	additionally for each independent claim over one	45 532 03	36 425 63	13 659 52	2 280 00
10	Conducting an examination on the merits of an application for an invention if the application contains a report on information search	33 482 40	21 387 34	8 001 50	1 675 00
1)	additionally for each independent claim over one	26 785 92	17 069 88	6 401 20	1 340 00
11	Substantive examination of an application for an industrial design	36 804 32	29 443 46	11 040 96	1 845 00
1)	additionally for each version of the industrial design over one	4 382 56	3 605 05	1 314 88	220 00

12	Making changes to the application materials before entering information into the state registers of industrial property objects for each action separately	5 224 80	4 441 08	1 568 00	265 00
13	Making changes of the same type to the application materials at the initiative of the applicant before entering information into the state registers of industrial property objects for each action separately	4 159 68	3 327 74	1 247 68	210 00
14	Transformation of an application for an invention and/or utility model	8 730 40	6 984 32	2 618 56	440 00
15	Carrying out work on the publication in the State Register of information on registration and issuance of a title of protection for an invention utility model industrial design	33 253 92	18 651 14	9 975 84	665 28
16	Issuance of a duplicate title of protection and publication of information on the issuance	6 005 44	4 804 35	1 800 96	300 00
17	Preparing a document for the issuance of an author's certificate (per certificate)	0 00	0 00	970 00	375 00
18	Issuance of a duplicate of the author's certificate and publication of information on the issuance (per certificate)	0 00	0 00	870 00	275 00
19	Amendments to the state registers of industrial property objects (in the address of correspondence in the full name of the author / authors for the change of representative / patent attorney for the correction of technical errors in the description formula abstract and drawings in the name of the patent holder in the composition author/authors to the name of the industrial property object to the address of the patent holder)	14 585 76	11 668 61	4 375 84	730 00
20	Introduction of the same type of changes to the state registers of industrial property objects	4 604 32	3 683 46	1 380 96	230 00

21	Provision of an extract from the state registers of inventions utility models industrial designs certificates on a registered invention utility model industrial design	4 875 36	3 900 29	1 462 72	245 00
22	Extension of the period of validity of a title of protection for an invention utility model industrial design and publication of information on the extension	8 611 68	8 611 68	8 611 68	435 00
23	Restoration of the period of validity of a title of protection for an invention utility model industrial design and publication of information on the restoration of the period of validity of a title of protection	11 299 68	9 089 74	3 390 24	565 00
24	Acceptance of applications claiming conventional priority after the deadline	22 123 36	17 699 69	6 637 12	1 110 00
25	For the transfer of the international application to the national phase after the expiration of the period established by the Patent Cooperation Treaty	6 555 36	5 244 29	1 966 72	330 00
26	Extension of the deadline for submission of translation of application documents into Kazakh or Russian	6 555 36	5 244 29	1 966 72	330 00
27	conducting a thematic patent search on invention utility model on databases of patent information of NIIP and EAPO up to 3 IPC groups (each subsequent 10 subgroups are considered as an additional IPC group) within 20 working days (<i>in case of urgent conduct within ten days a coefficient of 2 is applied</i>)	48 725 60	48 725 60	48 725 60	48 725 60
1)	additionally for each group over 3 IPC groups within 20 days (<i>in case of urgent holding within ten days a coefficient of 2 is applied</i>)	23 400 00	23 400 00	23 400 00	23 400 00
28	Extension of the deadline for submitting the requested documents for each month up to six months from the date of expiration of the deadline	8 730 40	6 984 32	2 648 56	435 00
29	Extension of the missed deadline for payment (fees) for processing checking and forwarding for filing and searching for an international application for international applications filed in accordance with the Patent Cooperation Treaty for each month	11 279 52	9 023 84	3 383 52	565 00
30	Restoration of the deadline missed by the applicant:				

1)	response to a request	31 534 72	25 227 78	9 460 64	1 630 00
2)	payment	31 534 72	25 227 78	9 460 64	1 630 00
3)	providing proof of payment	753 76	602 56	226 24	40 00
31	for extending the deadline for submitting a payment document and a document confirming the grounds for reducing its size for filing an invention application filed without a payment document and a document confirming the grounds for reducing its size by two months	2 280 32	1 824 48	684 32	115 00
32	Verification of the contract documents and registration of the transfer of the exclusive right and the granting of the right to an industrial property object in the relevant State Register in respect of one object and publication of information on its registration	45 000 48	45 000 48	45 000 48	45 000 48
32,1	additionally for each object over one object of industrial property	9 232 38	9 232 38	9 232 38	9 232 38
33	Verification of the contract documents and registration of an additional agreement to the contract on granting rights in respect of one industrial property object in the relevant State Register and publication of information on its registration	12 999 84	12 999 84	12 999 84	12 999 84
1)	additionally for each object over one object of industrial property	9 232 ,38	9 232 38	9 232 38	9 232 38
34	Acceptance of an application for publication of an open license for an industrial property object (for each object)	12 999 84	11 049 86	6 500 00	650 00
35	Consideration of the application and publication: - information on the termination of the agreement on the transfer of rights to objects of industrial property (by a court decision); - information on the termination of the agreement on granting the right to objects of industrial property at the request of the applicant; - providing a copy of the main contract (to the parties/participants of the contract; - providing a copy of the supplementary agreement to the main agreement (licensing agreement complex business license agreement pledges) to the	5 148 64	5 148 64	2 500 00	260 00

	parties/participants of the agreement) for each action separately				
36	Conducting an information search on industrial designs in the databases of patent information of NIIP and EAPO for 20 working days (<i>in case of urgent holding within ten days a coefficient of 2 is applied</i>):				
1)	conducting a patent search by the name of the owner within 20 working days	14 987 84	14 987 84	14 987 84	14 987 84
2)	conducting a patent search by the name of an industrial design within 20 working days	11 574 08	11 574 08	11 574 08	11 574 08
3)	conducting a patent search for an industrial design in one class of INCE within 20 working days	6 060 32	6 060 32	6 060 32	6 060 32
37	- Conducting an information search to determine the state of the art, in comparison with which the evaluation of the patentability of a utility model can be carried out - Conducting an information search in relation to the claimed invention to determine the level of technology and patentability within 20 business days (<i>in case of urgent holding within ten days a coefficient of 2 is applied</i>)	53 570	53 570	53 570	53 570
1)	additionally for each object over one object	26 785 92	26 785 92	26 785 92	26 785 92
38	Patent Document Search :				
1)	numbering (for 1 document)	750,40	750,40	750,40	750,40
2)	nominal (company) (1 year/1 DB/1 country/ 1 name)	1 115 52	1 115 52	1 115 52	1 115 52
3)	conducting a search for patents-analogues	17 465 28	17 465 28	17 465 28	17 465 28
39	conducting a comparative analysis of information on industrial property objects within 20 working days (<i>in case of urgent conduct within ten days a coefficient of 2 is applied</i>)	326 201 12	326 201 12	326 201 12	326 201 12
1)	in relation to each additional object of invention utility model within 20 working days (<i>in case of urgent holding</i>	94 096 80	94 096 80	94 096 80	94 096 80

	<i>within ten days a coefficient of 2 is applied)</i>				
40	conducting a comparative analysis of information on a registered one variant of an industrial design within 20 working days <i>(in case of urgent conduct within ten days a coefficient of 2 is applied)</i>	213 286 08	213 286 08	213 286 08	213 286 08
1)	for each additional option within 20 working days	106 645 00	106 645 00	106 6545 00	106 645 00
41	Making copies of documents, application materials opposed document (per sheet)	33 60	33 60	33 60	33 60
42	Consideration of the application with the participation of the applicant	1 700 16	1 700 16	1 700 16	170 00
43	Making a copy of one application (priority document)	2 730 56	2 730 56	1 100 00	140 00
44	Resettlement of payments (1 payment)	549 92	549 92	549 92	30 00
45	Accounting for advance payments	549 92	549 92	549 92	30 00

2. Activities in the field of protection of selection achievements

	Name of works and services in accordance with the Law of the Republic of Kazakhstan dated July 13, 1999 "On the protection of selection achievements"	For legal entities	For SMEs	for individuals	for applicants belonging to the privileged category of persons in accordance with paragraphs, 1.1) and p.p. 3.1) Appendix 2 to the order
1	2	3	4	5	6
46	Acceptance of applications and preliminary examination of applications for selection achievement	11 240,32	8992,26	3 372,32	565,00

47	Making changes to the application materials before entering information into the State Register of Selection Achievements (to the address of correspondence in the full name of the author / authors for changing the representative / patent attorney for correcting technical errors in the selection achievement questionnaire in the name of the applicant in composition of the author/authors to the name of the selection achievement to the address of the applicant) for each action separately	5 224,80	4 179,84	1 568,00	265,00
48	Making changes of the same type before entering information into the state register of selection achievements for each action separately	4 595,36	3 675,84	1 378,72	230,00
49	Carrying out work on the publication in the State Register of information on registration and on the issuance of a title of protection for a selection achievement	33 253,92	26 540,42	9 975,84	665,28
1)	Preparation of the document for the issuance of the author's certificate (for each certificate)	0,00	0,00	970,00	375,00
50	Restoration of the deadline for the submission of payment for preparation for the issuance of a title of protection missed by the applicant up to three months from the due date	30 466,87	24 373,44	9 139,20	1 525,00
51	Restoration of the term of validity of a title of protection for a selection achievement and publication of information on the restoration of a title of protection	11 299,68	9 039,74	3 389,12	565,00
52	Issuance of a duplicate title of protection and publication of information on the issuance	11 615,52	9 292,42	3 484,32	580,78
53	Issuance of a duplicate of the author's certificate and publication of information on the issuance (for each certificate)	0	0,00	870,00	275,00

54	Making changes to the State Register of Selection Achievements (in the address of correspondence in the full name of the author / authors for changing the representative / patent attorney for correcting technical errors in the selection achievement questionnaire in the name of the patent holder in the composition of the author / authors in name of the selection achievement addressed to the patent holder)	14 585,76	11 668,61	4 375,84	730,00
55	Making changes of the same type to the state register of breeding achievements	4 604,32	3 683,68	1 380,86	230,00
56	Provision of an extract and (or) certificate from the state register of selection achievements	4 875,36	3 900,29	1 462,72	245,00
57	Renewal of the period of validity of a title of protection and publication of information about the renewal	8 611,68	8 611,68	8 611,68	435,00
58	Verification of documents on the transfer / granting of the right to a selection achievement in the State Register of Selection Achievements in relation to one object and publication of information on its registration	45 000,48	45 000,48	45 000,48	45 000,48
1)	additionally for each object over one object	9 232,38	9 232,38	9 232,38	9 232,38
59	Acceptance of an application for publication of an open license	12 999,84	12 999,84	6 500,00	650,00
60	Verification of additional agreement documents to the agreement on granting the right in respect of one selection achievement and in case of registration publication of information on its registration in the State Register of Selection Achievements	12 999,84	12 999,84	12 999,84	12 999,84
1)	additionally for each object over one selection achievement	9 232,38	9 232,38	9 232,38	9 232,38
61	Making a copy of the application materials (for each sheet)	33,60	33,60	33,60	33,60
62	Consideration of the application and publication: - information about the termination of the agreement on the transfer of rights to selection achievements (by a court decision); - information about the termination of the agreement on granting the right to	5 148,64	5 148,64	2 500,00	260,00

	selection achievements at the request of the applicant; - providing a copy of the main contract (to the parties/participants of the contract); - providing a copy of the supplementary agreement to the main agreement (licensing agreement complex business license agreement pledges) to the parties/participants of the agreement) for each action separately				
63	Resettlement of payments (1 payment)	549,92	549,92	549,92	30,00
64	Accounting for advance payments	549,92	549,92	549,92	30,00

3. Activities in the field of protection of topologies of an integrated microcircuits

	Name of works and services in accordance with the Law of the Republic of Kazakhstan dated June 29, 2001 No. 217-II "On the legal protection of topologies of of an integrated microcircuits "	for legal entities	for SMEs	for individuals including pensioners by age and length of service	for applicants belonging to the privileged category of persons according to p.p. 1.1) p. 1 and p.p. 3.1) paragraph 3 of Annex 2
1	2	3	4	5	6
65	Acceptance and examination of applications for topologies of of an integrated microcircuits and entering information on the topology into the State Register of topologies of of an integrated microcircuits publication of information and issuance of a certificate of registration from them:	51 076,00	40 861,00	15 325,00	2 555,00
1)	acceptance and examination of applications for topologies of integrated circuits	17 602,56	14 081,80	5 283,08	1 885,24
2)	entering information on topology in the State Register of topologies of of an integrated microcircuits publication of information and issuance of a registration certificate	33 473,44	26 779,20	10 041,92	669,76
66	Preparing a document for the issuance of an author's certificate (per ID)	0,00	0,00	970,00	375,00
67	Issuance of a duplicate title of protection and publication of information on the issuance	6 005,44	4 804,80	1 800,96	120,00

68	Issuance of a duplicate of the author's certificate and publication of information on the issuance (per certificate)	0,00	0,00	870,00	275,00
69	Making changes to the state register of topologies of of an integrated microcircuitsfor each action separately	14 585,76	11 668,16	4375,84	730,00
70	Making changes of the same type to the state register of topologies of of an integrated microcircuitsfor each action separately	4 604,32	3 683,68	1380,96	230,00
71	Provision of an extract and (or) certificate from the state register of topologies of integrated circuits	4 875,36	3 899,84	1 462,72	245,00
72	Verification of the contract documents and registration of the transfer of the exclusive right and the granting of the right to the topology of the integrated circuit in the relevant State Register in relation to one object and the publication of information about its registration	45 000,48	45 000,48	45 000,48	45 000,48
1)	additionally for each object over one object	9 232,38	9 232,38	9 232,38	9 232,38
73	Verification of additional agreement documents to the agreement on granting rights in relation to one object and in case of registration publication of information on its registration in the State Register of Integrated Circuit Topologies	12 999,84	12 999,84	12 999,84	12 999,84
1)	additionally for each object over one integrated circuit topology	9 232,38	9 232,38	9 232,38	9 232,38
74	Consideration of the application and publication: - information about the termination of the agreement on the transfer of rights to the topology of integrated circuits (by a court decision); - information about the termination of the agreement on granting the right to the topology of integrated circuits at the request of the applicant; - providing a copy of the main contract (to the parties/participants of the contract); - provision of a copy of the additional agreement to the main agreement (license agreement, complex business license agreement pledges) to the	5 148,64	5 148,64	2500,00	260,00

parties/participants of the agreement) for each action separately				
--	--	--	--	--

4. The amount of fees for maintaining the titles of protection in force

76.1) security documents for inventions including Eurasian patents*							
1	2	for legal entities		for individuals		for applicants belonging to the privileged category of persons in accordance with paragraphs 1) paragraph 1 of p.p. 3.1) Appendix 2 to the order

5. Activities in the field of protection of trademarks, service marks, geographical indications and appellations of origin

No	Name of works and services in the field of protection of trademarks service marks geographical indications and appellations of origin of goods	
1	2	3
1	Acceptance of an application and examination for registration of a trademark service mark	60 599,84
1.1.	accepting an application and conducting a preliminary examination for the registration of a trademark service mark up to 3 classes of the Nice Classification	16 599,52
1.1.1.	additionally for each class over 3 classes of the Nice Classification	7 193,76
1.2.	for conducting a full examination for registration of a trademark up to 3 classes of the Nice Classification	44 000,32
1.2.1.	additionally for each class of the Nice Classification over 3	9 800,00
2	Acceptance of an application and examination for registration of a collective trademark	101 153,92
2.1.	Acceptance of an application for registration and preliminary examination of a collective trademark up to 3 classes of the Nice Classification	36 300,32
2.1.1.	additionally for each class of the Nice Classification over 3	7 193,76
2.2.	Conducting a full examination of an application for registration of a collective trademark up to 3 classes of the Nice Classification	64 853,60
2.2.1.	additionally for each class of the Nice Classification over 3	9 800,00
3	Acceptance and examination of an application for registration of an appellation of origin of goods and / or granting the right to use an appellation of origin of goods	17 400,32

3.1	Acceptance and examination of an application for registration of a geographical indication and/or granting the right to use a geographical indication	15 660,30
4r	Separation of a trademark application at the initiative of the applicant by classes (for each class)	10 229,52
5	Converting an International Trademark Registration into a National Trademark Application	17 224,48
6	Converting a Trademark Application into a Collective Trademark Application or a Collective Trademark Application into a Trademark Application	12 200,16
7	Carrying out work related to the registration of a trademark service mark in the State Register issuance of a certificate and publication of registration information up to 3 classes	36 544,48
7.1	additionally for each class of the Nice Classification over 3	9 800,00
8	Carrying out work on the publication in the State Register of information on registration and issuance of a certificate for the appellation of origin of goods and / or the right to use the appellation of origin of goods	42 767,20
9	Carrying out work on the publication in the state register of information on registration and on the issuance of a certificate for a collective trademark	89 173,28
10	Carrying out work on the publication in the state register of information on registration and on the issuance of a certificate for a geographical indication and / or the right to use	38 490,50
11	Amendments to the State Registers of Protected Trademarks, Service Marks, Geographical Indications and Appellations of Origin (to the address of correspondence for the change of representative / patent attorney for changes in the list of the Nice Classification to the name of the copyright holder to the address of the copyright holder)	13 900,32
12	Making similar changes to the State Register of Protected Trademarks Service Marks Geographical Indications and Appellations of Origin	4 400,48
13	Issuance of extracts from the State Register, certificates (for each object)	4 599,84
14	Renewal of the validity period of registration of a trademark collective trademark well-known trademark service mark and publication of information about the renewal except for small and medium-sized businesses (<i>SMEs have a benefit when paying for this service before 01/01/2023 - 25% of the established price from 01/01/2023 the benefit is canceled</i>)	97 144,32
1)	additionally, for each class of the Nice Classification over 3 (<i>SMEs have a discount when paying for this service before 01/01/2023 - 25% of the established price from 01/01/2023 the discount is canceled</i>)	16 993,76
14.1	Extension of the validity period of registration of the right to use the appellation of origin of goods and publication of information on the extension	27 200,32
14.2	Renewal of the registration of the right to use a geographical indication and publication of information about the renewal	24 480,30

15	Extension of the response time to the request for each month	6 500,48
16	Consideration of objections to the registration of a designation as a trademark geographical indication / appellation of origin of goods and (or) granting the right to use a geographical indication / appellation of origin of goods as well as to an expert opinion on refusal or partial registration of a trademark on a decision to refuse in the registration of a geographical indication / appellation of origin of goods and (or) granting the right to use a geographical indication / appellation of origin of goods	17 999,52
17	Extension of the term for filing an objection to an expert opinion on refusal or partial registration of a trademark for each month	5 200,16
18	Certification of a copy of the application (priority document)	1 199,52
19	Restoration of the missed deadline for responding to a request payment filing an objection by the applicant	31 299,52
20	Restoration of the deadline missed by the applicant for filing an application for an extension of the validity of registration of the right to use a geographical indication / appellation of origin of goods registration of a trademark collective trademark well-known trademark service mark	32 269,44
21	Making changes corrections additions and clarifications to the application materials before entering information into the state registers of TM GI and AO for each action separately	9 000,32
22	Making changes of the same type to the application materials before entering information into the state register of changes for each action separately	3 899,84
23	Conducting a preliminary search for a designation in the national and international databases of trademarks and designations applied for registration in accordance with the Nice Tax Code with the submission of a search report in relation to the classes of goods and services specified by the customer :	
1)	one verbal designation for one class of the Nice Classification during:	
	1 working day	92 800,00
	3 working days	69 600,00
	5 working days	46 400,00
	10 working days	23 199,63
	20 working days	11 599,84
2)	one figurative element in one class of the Nice Classification within	
	1 working day	92 800,00
	3 working days	69 600,00
	5 working days	46 400,00
	10 working days	23 199,63
	20 working days	11 599,84

3)	several pictorial fragments for one class of the Nice Classification during:	
	1 working day	198 260,00
	3 working days	148 770,00
	5 working days	99 200,00
	10 working days	49 589,12
	20 working days	24 794,56
4)	additionally for each class of the Nice Classification more than one for each service of subparagraphs 1 2 3 of this paragraph during:	
	1 working day	14 400,00
	3 working days	10 800,00
	5 working days	5 400,00
	10 working days	3 600,00
	20 working days	1 800,00
5)	one combined designation for one class of the Nice Classification within:	
	1 working day	185 600,00
	3 working days	139 200,00
	5 working days	92 800,00
	10 working days	46 399,36
	20 working days	23 199,68
6)	additionally for each class of the Nice Classification over one specified in subparagraph 5 during:	
	1 working day	28 800,00
	3 working days	21 600,00
	5 working days	10 800,00
	10 working days	7 200,00
	20 working days	3 600,00
7)	simultaneously by several verbal designations (transliteration) during:	
	1 working day	11 200,00
	3 working days	8 400,00
	5 working days	5 600,00
	10 working days	2 800,00
	20 working days	1 400,00
8)	by applicant/right holder	
	3 working days	148 770,00
	5 working days	99 200,00
	10 working days	49 589,12
	20 working days	24 794,56
24	Conducting a preliminary search for a geographical indication/appellation of origin in the national database of geographical indications/appellations of origin submitting a search report within	

	1 working day	11 200,00
	3 working days	8 400,00
	5 working days	5 600,00
	10 working days	2 800,00
	20 working days	1 400,00
24.1	Carrying out a preliminary search on the name of the applicant and/or owner of the geographical indication/appellation of origin of goods in the national database of geographical indications/appellations of origin of goods submitting a search report within	
	1 working day	11 200,00
	3 working days	8 400,00
	5 working days	5 600,00
	10 working days	2 800,00
	20 working days	1 400,00 _
25	Conducting a comparative analysis for identity and similarity to the point of confusion by verbal figurative combined and three- dimensional designations with the provision of a conclusion within a month (<i>in case of urgent conduct within ten days a coefficient of 2 is applied</i>)	
1)	on three- dimensional designation with the provision of an expert opinion within a month	112 916,16
2)	for a combined designation with the provision of an expert opinion within a month	213 286,08
3)	on a pictorial designation with the provision of an expert opinion within a month	112 916,16
4)	by verbal designation with the provision of an expert opinion within a month	94 096,84
26	Registration and forwarding of an application for international registration of a mark to the International Bureau of the World Intellectual Property Organization for one class	28 293,44
1)	additionally for each class over one	7 614,88
27	Verification and forwarding of an application for international registration of a mark to the International Bureau of the World Intellectual Property Organization in one class in accordance with the Nice Classification	25 225,76
1)	additionally for each class of the Nice Classification over one	7 614,88
28	Execution and forwarding of an application for a subsequent designation an application for amendment of an international registration to the International Bureau of the World Intellectual Property Organization	9 300,48
29	Drawing up and sending an application for renewal of an international registration to the International Bureau of the World Intellectual Property Organization	9 300,48
30	Verification and forwarding of a request for a subsequent designation a request for amendment of an international registration to the International Bureau of the World Intellectual Property Organization	8 254,40

31	Verification and transmission of an application for renewal of an international registration to the International Bureau of the World Intellectual Property Organization	8 254,40
32	Preparation of a list of goods and services in accordance with the international classification of goods and services	1 850,24
33	Issuance of a duplicate trademark certificate and publication	12 544,00
34	Replacement of a national trademark registration with an international trademark registration	20 349,28
35	Verification of the contract documents and registration of the transfer of the exclusive right and (or) the grant of the right to a trademark service mark in the relevant State Register in relation to one object and publication of information about its registration	45 000,48
1)	additionally for each object over one trademark	9 232,38
36	Verification of agreement documents and registration of an additional agreement to agreements on granting rights in respect of one trademark in the State Register of Trademarks and publication of information on its registration	12 999,84
1)	additionally for each trademark over one	9 232,38
37	Consideration of the application and publication: - information about the termination of the agreement on the transfer of rights to a trademark (by a court decision); - information about the termination of the agreement on granting the right to a trademark at the request of the applicant; - providing a copy of the main contract (to the parties/participants of the contract); - providing a copy of the supplementary agreement to the main agreement (license agreement, complex business license agreement, pledges) to the parties/participants of the agreement) for each action separately	5 148,64
3 8	Resettlement of payments (1 payment)	549,92
39	Accounting for advance payments	549,92
