

THE MINISTRY OF SCIENCE AND EDUCATION OF THE REPUBLIC OF KAZAKHSTAN
AKIMAT OF EAST KAZAKHSTAN
D. SERIKBAYEV EAST-KAZAKHSTAN STATE TECHNICAL UNIVERSITY

CIRCULAR №1

Dear colleagues!

September 26-27, 2018 will be the International Scientific and Technical Conference in honor of the 60th anniversary of the EKSTU named after D. Serikbaev "**The role of universities in creating an innovative economy**".

The conference program includes:

- plenary session (inauguration of the conference, main reports);
- sectional sessions (speeches of conference participants);
- closing session.

During the conference, it is planned to conduct (as far as the creation of groups) study tour for course "Modern Geological Processes" (for field studying) to Gornaya Ulbinka, Tarhan geological incision, Rare-metal pegmatites of Kalba (v. Asu-Bulak), Natural boundary Ak-Baur, Sibinsk lakes, Natural boundary Ayr, Dubigalinsk lake. The cost of the study tour is from 5200 to 5600 tenge (975 rubles, 18 dollars, 14 euros) for 1 person depending on the chosen route.

The conference work will be organized according to the following workshops:

- 1 Innovative technologies in the Architecture, Construction and Professional Education;
- 2 Innovations in the Mechanical Engineering, Technological Machines and Transport;
- 3 Prospects for the development of the mining and metallurgical industry, problems and new horizons;
- 4 Perspective materials for the traditional and alternative energetics;
- 5 Accelerated technological modernization of Kazakhstan's economy is a new model of economic growth.

We invite you to take part in the conference work!
