

## LETTER OF INFORMATION

The NAO "D.Serikbayev East Kazakhstan Technical University" in collaboration with the School of Architecture and Construction, invites students in 9th, 10th, and 11th grades to participate in the Republican Olympiad "Zhas Talap-KZ". The winner among the graduates of the 11th grade will receive a grant from the university for the entire duration of their study in either "Architecture" or "Design of the architectural environment" programs.

The first online tour for the "Drawing" discipline will take place on April 14, 2023, with testing scheduled from 10:00 to 17:00 hours. Participants can register and take the online drawing test by following this link:

[https://www.do.ektu.kz/eltest/register\\_arch.asp](https://www.do.ektu.kz/eltest/register_arch.asp).

The participant will have 1 hour to solve 40 tests, and at least 28 correct answers out of 40 are required to pass to the second stage.

The second and final round of the Republican Olympiad "Zhas Talap-KZ" in drawing will take place on April 21, 2023, with the winners of the first qualifying stage proceeding to the second full-time drawing round at the NAO "D.Serikbayev East Kazakhstan Technical University" located at Ust-Kamenogorsk, Serikbayev str., 19. Participants must arrive at 9:00 am for the organizational gathering.

### **Task of the II round**

Olympiads of schoolchildren "LEADER ZHAS TALAP-KZ"  
in the discipline "Drawing"

For the second round, participants will be required to perform a volumetric-constructive drawing of a plaster model of the head from nature, while adhering to the requirements of perspective and considering the horizon line.

The participant must place the object image on the sheet sensibly, competently perform a perspective construction, and correctly convey the proportions of the head elements and the primary light-tone ratios.

The main own and falling shadows can be identified with a stroke, but the use of shading is not permitted. The drawing must be done in pencil using graphic tools and techniques in A-3 format (297x420) and will have a duration of 4 hours.

### **Conditions:**

1. The event's conditions include performing the task online in a specialized audience (G-2-218, G-2-220).
2. The task option is determined by the angle of the plaster model, which is selected by the student through random sampling. Changing angles with other participants is strictly prohibited.
3. At the end of the assignment, the work must be encrypted and transferred to the jury members for evaluation. Participants must not sign, make any notes, use sketches, or create sketches on the format with the task.

4. The use of a cell phone is also not allowed, and any violation of this rule will result in disqualification.

We express our gratitude for your cooperation and request that you convey this information to the schools in Ust-Kamenogorsk and the districts of East Kazakhstan region.

**Participants must have:** pencils of various hardness, an eraser, buttons for fixing the sheet on the easel, and are allowed to bring A4 paper (1-2 sheets) to make sketches, if desired. Additionally, they may bring 0.5 liters of drinking water in a transparent bottle.

**Prohibited items include:** mobile phones, smartwatches, gadgets of any shape, iPods, MP3 players, wired and wireless headphones, glasses with a hidden camera, and digital pens.

We hope to see you at the Republican Olympiad "Zhas Talap-KZ" and wish you the best of luck!

Sincerely,

**Board Member – Vice-Rector on
